

## OA High Adventure

What is it?

OA High Adventure is a National Program of the Order of the Arrow. It combines service with adventure, in a unique and awesome way. It provides Arrowmen with an opportunity to experience a National High Adventure program, but much less expensive. During the program, arrowmen spend a week building trail, or other service projects for nature, often not only for future use by Scouts, but also the general public. Following the week of service, they embark on a magical trip of beauty, excitement and adventure.
